Executive research

When did Dr. Asif Qureshi pass the United States Armed Forces exam?

1999

Where exactly did Dr. Asif Qureshi pass the United States Armed Forces exam?

The Armed Forces office at Western Avenue/Addison, half a block west of Addison, on the north side, in Chicago in 1999. A military laptop connected to the internet was given to Dr. Asif Qureshi. A sergeant was managing the situation.

What did the officer reveal to me?

"You have passed. You will be updated about further plans," he said.

What did another officer reveal to Dr. Asif Qureshi in Chicago?

"Your role in the United States military is research. You are expected to generate one page per day or one page per week for a research paper. You will not participate in combat. You will generate research. I know where you are located. You will be monitored and generate research that he will get. He will be located at another location," he said to Dr. Asif Qureshi. "His role is to see the research paper and answer what this research paper needs: armed forces, air force, aerial operations, or a press release. He will make recommendations to another officer who is located elsewhere. This is how the process will proceed," the military officer said.

What is another word or term for executive research that others must know?

Executive investigations
